Hi guys,

The DSACF notified us of your gift to the SALF in memory of Scott, and shared your kind words about the Leadership Forum as a fitting legacy for Scott. Your note is a greatly appreciated affirmation of the value of the Forum.

We deeply appreciate your thoughtful note and contribution -- means more to us than you might imagine. Thank you!

Scott's parents,

*Paul & Carol*

P.S. The note from the DSACF didn't reveal an address, but FOCVS was sufficient to get us to the web site with an address that seems to clearly identify your hangout—Scott would most certainly seek membership!!
